

Piggy Tales “Fun With Cards” Class:

CARD 2 Envelope:

Supplies Needed:

Paper Trimmer

Scissors

Ruler

Scorer

Step 1: Using the provided 12 x 12 Cardstock paper cut a 6” x 11 ¼” piece for a size 4 ¼” x 5” card.

Step 2: Fold paper into 3 parts. Make sure part A and Part B are 4 ¼” the same size, while Part C is smaller.

Step 3: Then, draw a ½” margin along both sides of the paper.

Step 4: Next, cut out the margin for Parts A and C only. Fold Part A onto Part B. Then, fold the margin of Part B onto Part A. Adhere the margins.

Step 5: Fold in corners of Part C and cut along the lines to have a nice flap for sealing.

For any size envelope follow these instructions:

Measure size of card. Add 1” to wide and 2 ¾” to length. For example if your card is 4 ¼” in width and 8 ½” (when opened) in length the piece you’ll need to cut a 6 x 11 ¼”. Just like we did for Card 2.

Follow Steps 2-5.
