

My Firsts Slide Book Instructions

Supplies Needed:

Paper trimmer, scissors, adhesive, stapler, ink, pencil, corner rounder, scorer

Tips:

1. Line up template with book to make sure you have the book right side up.
2. Place the template on the paper you'd like to cut and trace the template with a pencil.
3. Using razor blade and cutting mat, follow pencil tracing with razor blade. (Fiskar's cutting mat and finger tip blade work great!)
4. Open flaps on book and paper before adhering the paper to the book.
5. When adhering pages to book place adhesive on the book instead of the paper.

Front Cover: Using pattern, trace and cut Orange pattern Background piece and adhere to the front cover of Slide Book. Using pattern, trace and cut Stripe piece and adhere to book. Adhere the negative space (blue solid side) to the top of the slide. Using template, trace and cut Brown Solid piece and adhere to bottom right of cover. Adhere the negative space (green pattern side) to the underneath part of the slide. Trim ½" x 2" Light Blue Solid piece. Fold and adhere to sliding door. Cut off corners of Brown solid and Light Blue Solid tags. Cut ½" x 2" Orange solid pieces. Fold and staple to tags. Adhere tags behind Green solid piece. Trace Orange pattern piece onto the oval pattern. Apply "My Firsts" rubon.

Spine: Score the 1 ½" x 8" Circle pattern piece every half inch so it will be easier to adhere to the spine of the book. Adhere to spine of Slide Book after back cover page is adhered.
